FREQUENTLY ASKED QUESTIONS

The following question and answer section is intended to provide you with a general understanding of this Trip Cancellation, Interruption & Travel Delay Insurance in a clear and simple format. In doing so, we have summarized the standard insurance language which governs the plan. Therefore, it is very important that you read the entire Insurance pamphlet in full for a complete description of all coverage terms, conditions and exclusions.

Why should I consider purchasing Trip Cancellation, Interruption & Travel Delay Insurance?

Even at the great value that Exploritas provides, purchasing an educational adventure can represent a significant monetary investment. This Insurance helps protect your investment in the event you must **cancel or interrupt** your Trip for specified, covered reasons.

For example: *If an unforeseen medical problem suddenly arises causing you to cancel your Exploritas program, miss program days or return home prior to the end of your program, it is unlikely*

that you will receive a full refund of your program payment, or reimbursement for the unused portion of your program. Since most folks do not have insurance that covers this type of loss, this Trip Cancellation, Interruption & Travel Delay Insurance is specially designed to help reimburse you for the monies forfeited in such instances. Important: Please note that Exploritas cannot issue refunds to participants for program days missed due to accidents, injuries, illnesses, or other emergencies.

This Insurance also helps reimburse you for some of the expenses you may incur in the event of certain unexpected **travel delays**, which are becoming more commonplace.

For example: *If you are faced with inclement weather and delayed while traveling to your Exploritas program, you may not be reimbursed or accommodated by the airlines for the additional expenses to catch up to the program, nor would you be reimbursed for any program days missed. Purchasing this Insurance helps you recoup these expenditures.*

Is my airfare covered, even if I book it on my own?

YES! The coverages under this Trip Cancellation, Interruption & Travel Delay Insurance extend to the airfare booked to join or depart your Exploritas program, whether you purchase your airline tickets with Exploritas or independently. Even though the Insurance Cost is based on Your Program Only Price, your airfare is protected too!

Are there exclusions?

YES. As with most insurance, benefits are provided for covered reasons, with some limitations and restrictions. In order to offer these benefits at a reasonable cost and without requiring medical exams or questionnaires, certain exclusions, including a “pre-existing” condition exclusion, do apply.

I have a family member who is not traveling with me who has a pre-existing condition. Does the Insurance cover my program investment should I need to adjust my travel plans due to a family member's pre-existing condition?

YES! The Insurance covers pre-existing conditions of family members who are not traveling with you. Only the conditions of participants traveling with you are subject to the Pre-Existing Condition Exclusion.

The good news is The Pre-Existing Condition Exclusion will be WAIVED if you purchase the Insurance as soon as possible, but no later than 5 days after your final program payment is due to Exploritas.

If Exploritas cancels my program prior to the start date, is my total insurance payment refundable?

YES! Although the Insurance Cost is otherwise non-refundable and non-transferable, on the rare occasion when Exploritas must cancel a program, your Insurance will be cancelled and your Insurance Cost plus \$3.00 per person administration fee will be automatically refunded in full.

How do I enroll?

For your convenience, the Insurance can be purchased in one of two ways:

1. Enroll online at www.exploritasinsurance.com; or
2. Call BerkelyCare toll-free at **(877) 846-8806** to enroll and pay with a credit card.

DESCRIPTION OF COVERAGE

Trip Cancellation/Trip Interruption

In the event You are prevented from taking Your Trip because: (a) You, Your Traveling Companion, or an Immediate Family Member suffers a death or an Injury or Sickness which results in medically imposed restrictions, as certified by a Physician, at the time of loss preventing Your continued participation in the covered Trip; or (b) You or Your Traveling Companion: (i) is hijacked, quarantined, required to serve on a jury, or subpoenaed; (ii) has a home made uninhabitable by fire, flood, volcano, earthquake, hurricane, other natural disaster, burglary, or vandalism; (iii) is directly involved in a documented traffic accident while en route to departure; or (iv) is involuntarily terminated or laid off through no fault of Your own, provided that You have been an active employee for the same employer for at least 5 years. [Termination must occur following the effective date of coverage. This provision is not applicable to temporary employment, independent contractors or self-employed persons]; (c) You have a covered Travel Delay which results in the loss of more than 50% of Your scheduled Trip; or (d) A Terrorist Incident occurs in a city listed on Your Trip itinerary that is within 30 days prior to Your scheduled departure date. [This same city must not have experienced a Terrorist Incident within 90 days prior to the Terrorist Incident which is causing Your cancellation of the covered Trip. "City" means an incorporated municipality having defined borders and does not include the high seas, uninhabited areas or airspace.] Benefits are not provided if Exploritas offers a substitute itinerary; the Insurer will pay benefits up to Your total Trip cost for:

a) **Trip Cancellation** – non-refundable cancellation charges imposed by Exploritas and/or airfare cancellation charges (and/or the cost of re-depositing frequent travel awards utilized for the Trip, up to

\$150) for flights joining or departing Your Land/Sea Arrangements and/or any other Common Carriers' cancellation charges for transportation to or from Your Land/Sea Arrangements; or the additional costs You may incur as a result of a change in the per-person occupancy rate of prepaid travel arrangements if a Traveling Companion cancels his/her Trip for a covered reason and You do not cancel.

b) **Trip Interruption** – unused, non-refundable land or sea expenses prepaid to Exploritas and/or the airfare paid, less the value of applied credit from an unused return travel ticket, to return home or rejoin the original Land/Sea Arrangements (limited to the cost of one-way economy airfare by scheduled carrier (or first/business class if Your original tickets were first/business class) from the point of origin shown on the original travel tickets).

Important: The Sickness or Injury causing You to interrupt Your Trip must be verified by a Physician before You terminate the Trip.

The Insurer will also pay benefits, up to \$100 per day, for reasonable additional accommodation and transportation expenses incurred to remain near a covered traveling Immediate Family member or Traveling Companion who is hospitalized during Your Trip. In no event shall the amount reimbursed exceed the amount You prepaid for Your Trip.

See Page 12 for documentation you will need to secure in the event of a claim.

Special Conditions: You must advise Exploritas and BerkelyCare as soon as possible in the event of a claim. The Insurer will not pay benefits for any additional charges incurred that would not have been charged had You notified these parties as soon as reasonably possible.

Important: You, Your Traveling Companion, and Your Immediate Family member booked to travel with You must be medically capable of travel on the day You purchase this coverage. The event which

necessitated the Trip Cancellation/Interruption must occur after Your effective date of Trip Cancellation coverage. Benefits will not be paid for expenses not refunded in the event of Exploritas' insolvency.

Travel Delay/Missed Connection

The Insurer will pay benefits for Covered Expenses, up to \$1,000 (\$200/day), if You are either delayed by 6 hours or more en route to or from Your Land/Sea Arrangements, or caused to miss 24 hours or more of Your Land/Sea Arrangements, due to inclement weather, strike or other job action, or equipment failure of a Common Carrier; a traffic accident en route to a departure in which You or Your Traveling Companion is not directly involved; lost or stolen passports, travel documents, or money; quarantine; hijacking; natural disaster including hurricane; civil commotion or riot.

Covered Expenses include any prepaid, unused, non-refundable Land/Sea Arrangements, any reasonable additional expenses for meals and lodging, and the cost of a one-way economy airfare ticket to catch up to the Land/Sea Arrangements or return to the place of origin shown on the travel documents.

Coverage will not be provided if You elect to cancel from Your Program outright in the event of a Travel Delay or Missed Connection, unless You have a covered Travel Delay which results in the loss of more than 50% of Your scheduled Trip, which would then qualify you for Trip Cancellation/Trip Interruption coverage. See Page 12 for documentation you will need to secure in the event of a claim.

Important: Unless waived in accordance with the waiver terms detailed below, benefits are subject to the following Pre-Existing Condition Exclusion and other exclusions as listed.

Pre-Existing Condition Exclusion and Waiver:

The Insurer will not pay for any claims arising from any Injury, Sickness, or other condition affecting You, a Traveling Companion, or an Immediate Family member booked to travel with You which, within the 60-day period before Your coverage began under this Insurance: (a) first manifested itself or had symptoms which would prompt a reasonable person to seek diagnosis, care, or treatment; (b) required taking prescribed drugs or medicine, unless the condition for which prescribed drug or medicine was taken remained controlled without any change in required prescription; or (c) required treatment or treatment was recommended by a Physician.

Please note: we will waive this Pre-Existing Condition Exclusion if you pay for your Insurance as soon as possible but no later than 5 days after your final Program payment is due to Exploritas.

If You have any questions concerning this exclusion, please call BerkelyCare toll-free at (877) 846-8806 for clarification.
